KEEPING FAMILIES UP TO DATE ON THE LATEST NEWS AND INFORMATION FROM THE POPPINS NURSERY TEAM

Just a reminder!

We are a nut and egg free setting. Foods which 'may contain traces of' nuts or egg are okay to bring in children's pack lunches. Thank you for helping to keep all children at our setting safe.

Summer 1 Favourites

During this half term, we have been making the most of the (sporadic!) sunny days enjoying picnic snack times in the garden, water play and hunting for mini beasts. Popular activities have included practicing our fine motor skills threading bracelets, playing imaginary games setting up birthday parties and making playdough.

Our favourite stories at the moment are Handa's Surprise, The Colour Monster and the on-going best-loved 'We're Going on a Bear Hunt'. We have particularly enjoyed singing 'Three Blind Mice' and 'Five Little Monkeys' and we are learning the days of the week through a days of the week song.

Important Staffing Updates

After half term, we are very excited to welcome a new Deputy Head of Nursery - Sonia Staples. She brings with her a wealth of experience from different settings and lots of creative ideas for our nursery.

Our Head of Nursery, Lauren, also has some exciting news and will be having her first baby in October. She hopes to be back after her maternity leave, which we will share more information about closer to the time.

Notices for Summer 2

When we return for Summer 2, please ensure your child brings a named sun cream, hat and their water bottles every day. Changes of clothes are also extremely helpful as we play more outside.
